RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

RECEIVED

Assistant Commissioner of Patents
Washington, D.C. 20231

Technology Center 2600

S I R:

In response to the restriction requirement dated March 24, 2003, Applicant elects the claims of species 1, as exemplified in the embodiments of the Figures 1-9 for initial prosecution with traverse. Applicants note that this restriction requirement is inappropriate because no serious burden would be placed upon the Examiner if all claims were simultaneously examined as search and examination of one of the species would inherently duplicate the search required for examination of the other species. Applicants note that claims 1-8 and 12-15 fall under the first species.

Respectfully submitted,

Date: April 24, 2003
